

MIDWEST Pool MANAGEMENT

Payroll Calendar 2020

MPM payroll is done **bi-weekly** (every other week).

The different colored weeks represent the pay period you are working in. The dates that are circled are pay days. The color of the circles match what pay period dates you are being paid for.

Example: If you work between **May 7th & May 20th**, you will get paid for those shifts on **June 4th**.
